COLORADO SCHOOL OF MINES FACULTY SENATE MINUTES  
September 5, 2000 - 2:00 PM  
Coolbaugh House  

ATTENDEES:  Curtis, Dickerhoff, Frost, Kidnay, Klusman, Lu, Navidi, Ohno, Readey, Underwood, and Wendlandt  

APOLOGIES:  Nickum and E. Pang  

VISITORS:  VPAA John Trefny, Romberger and VanTyne  

Former Senator, Romberger, presided at the meeting as E. Pang was out-of-town.  

COMMENTS FROM GUESTS:  
A.  Trefny  
1.  There are 3,290 students registered for this semester. This breaks down to 700 graduate students, 2,500 undergraduate students and 90 non-degree students.  
2.  CCHE may be part of a new arrangement with the state. It is being called the "millennium college concept" and some legislatures are writing a bill that would set the guidelines for colleges/universities to become in effect a chartered college. CSM will not make a decision as to whether or not they are interested until the final guidelines are passed by the state legislature.  
3.  The three main items on the CSM Board of Trustees agenda this month are (1) the petroleum institute in Abu Dhabi; (2) masters degree in engineering technology management in the division of economics and business; and (3) a mechanism for transferring technology from CSM directly to commercialization.  
4.  The administration is considering the construction of a research building on campus. It would be self-funded and paid for by the users of the facilities. This has been presented to the department/division heads.  
5.  A call has been made for applications for a second associate vice president for academic affairs.  
6.  The entire structure for membership in the University Faculty Club has changed. If a department/division joins, then those employed in each entity are members. If a department/division does not join, then those individuals in those entities must purchase individual memberships.  
7.  The new faculty reception is scheduled for September 15, 2000.  
8.  A memo reviewing the marching order for commencements has been distributed to the faculty and librarians.  
9.  The presidential search committee is still being formed. Steven Mooney and David Wagner are co-chairing the committee.  

APPROVAL OF THE MINUTES:  The minutes of the May 2, 2000 Faculty Senate meeting were approved as amended.
